In een van de prachtigste hotels van Dubai, FIVE LUXE, vind je restaurant Ronin, waar je kan genieten van heerlijke Japanse gerechten. *Trust me* als ik zeg dat ik hier de lekkerste sushi van Dubai heb gegeten - wat je ook doet; neem sowieso de tuna mille-feuille. Op het menu vind je verder gerechten als yuzu miso black cod, kreeft en wagyu, en die smaken net zo goed als ze klinken.

Tip: doe na het diner nog een drankje in cocktailbar Paradiso, dat tegenover het restaurant zit.
